

The island of Corsica is a popular European vacation spot located off the coast of France with its seafront boulevard cafés & chic boutiques. This is the fashionable inspiration for Trophy's first delivery of the season. A cool selection of sophisticated shades ranging from Navy through Slate, Chambray into a soft, natural Dune color; all brightened with White for a light spring wardrobe.

This collection includes a Royal Oxford self-collared knit, a tricolor jacquard in the finest double mercerized Italian cotton, shirting checks in an array of colors and our soft, luxurious tailored trousers. All are easily partnered with our exquisite "Loro Piana" Cashmere Cabled V- Neck sweater.
