

The Italian Riviera is home to Portofino, an area rightfully considered one of the world's most beautiful sun-drenched cities. The city's lavish, luxurious homes, along with its vistas and streets inspired our last Trophy delivery. The color palette consists of a deep rich Azalea to a soft pastel Pink, accentuated by soft natural shades and a hint of smoked Grey.

An exceptional quality Linen shirt is a must-have item in this gentleman's wardrobe. Or perhaps a lightweight, two-tone jacquard knit stripe layered with a textured fine gauge vest. This, simply worn with one of our fine tropical or gabardine trousers, will complete this signature look.
